Comment # 6974: Storage Units in ChubuEP::Hamaoka NPP

- SWS/B: Solid Waste Storage Bldg.
- RW/B: Radioactive Waste Bldg.

The site bunker facility in RW/B-1 has storage pool dedicated for core parts (such as spent control rods, channel boxes). Spent fuel pools in which core parts are stored, and several tanks may correspond to storage units; however are left out. (See comment in waste inventory section.)
