

Milestones

Country: THAILAND

Reporting Year: 2009

Start Year or Reference Year:	2009	End Year:	2012										
Description of Milestone:													
<p>New Milestone: The Radioactive Waste Management Center will be re-located at the new site, Ongkharak district, Nakhon Nayok province. The processing and incinerating facilities will be constructed during the 5 year plan.</p> <p>The Project Schedule during year 2008-2012</p> <table border="1"> <thead> <tr> <th>Year</th> <th>Items</th> </tr> </thead> <tbody> <tr> <td>2009</td> <td>Design of Storage & Incineration Systems</td> </tr> <tr> <td>2010</td> <td>Construction of Incineration System and Operation</td> </tr> <tr> <td>2011</td> <td>Plan for Construction of new Storage facility at Ongkharak site</td> </tr> <tr> <td>2012</td> <td>Plan for Operation of new Storage facility at Ongkharak site</td> </tr> </tbody> </table>				Year	Items	2009	Design of Storage & Incineration Systems	2010	Construction of Incineration System and Operation	2011	Plan for Construction of new Storage facility at Ongkharak site	2012	Plan for Operation of new Storage facility at Ongkharak site
Year	Items												
2009	Design of Storage & Incineration Systems												
2010	Construction of Incineration System and Operation												
2011	Plan for Construction of new Storage facility at Ongkharak site												
2012	Plan for Operation of new Storage facility at Ongkharak site												

Start Year or Reference Year:	2005	End Year:	2007
Description of Milestone:			
<p>The Atomic Energy for Peace Act B.E.2504 is being revised to match the development of Nuclear Technology in the country.</p>			

Start Year or Reference Year:	2004	End Year:	2006
Description of Milestone:			
<p>The construction of the Centralized Waste Processing and Storage Facilities at the new site, Ongkarak district, Nakhonnayok province has been delayed, due to the financial problem.</p>			

Start Year or Reference Year:	1989	End Year:	2003
Description of Milestone:			
<p>The Thai cabinet had a resolution in 1989 to relocate the Nuclear Research Center, comprising the research reactor, waste management facility, isotope production facility and other nuclear facilities in OAEP to more appropriate and safe location due to it is located near the Bangkok airport. The Prequalified Bidding for the new nuclear research center was performed in 1995. The final Bidding was done in 1996. In 1997, the OAEP signed contract with General Atomics to design and establish the new Nuclear Research Center at Ongkarak district, Nakhonnayok Province, 60 km away from OAEP. In year 2003, the OAEP got the construction permit for the new Research reactor.</p>
